

ARCHITECTURE

Associate of Science

The Associate of Science (AS) in Architecture prepares students who are interested in pursuing a career in the field of Architecture. Students develop skills in architectural history, design, graphics, and technology. They receive fundamental training in software such as AutoCad, Revit, Photoshop, and Illustrator, as well as other design software and equipment. The degree is designed to transfer seamlessly into four-year universities that offer a Bachelor in Architecture anywhere in the state of Texas.
