

PLACEMENT TESTING

It is the intent of the Texas Higher Education Coordinating Board that Texas public institutions of higher education use the flexibility and responsibility granted under the Texas Success Initiative (TSI) rules to improve individualized programs to ensure the success of students in higher education. All public colleges and universities shall assess the academic skills of each entering undergraduate student prior to enrollment of the student. The Student Assessment Center administers the Texas Success Initiative 2.0 (TSIA2) Exam throughout the year. Effective January 11, 2021, TSI was replaced with the TSIA2. TSIA2 Pre-Assessment Activity Requirement

THECB Rule 4.55 Assessment and Placement, section (B), requires all institutions offering the TSIA2 assessment to provide students a pre-assessment activity(ies). South Texas College offers an online pre-assessment module that is available for students at <https://launch.comevo.com/stc-pa/138>. After completing the online module, students can print their Pre-Assessment completion page to show proof of completing their Pre-Assessment Activity.

The Pre-Assessment Activity is required for all students testing for the very first time. Students who have previously tested for TSI are not required to redo the Pre-Assessment Activity but are highly encouraged to do so. Students who are testing for the very first time are required to submit proof of completion. Failure to do so may require the student to not be admitted or to reschedule until proof of completion.
