Honors Program Graduation

Students who complete the appropriate course of study for an Associate Degree or Bachelor of Applied Technology Degree, earn 9 credit hours of Honors courses, and maintain a 3.25 or higher GPA, are eligible to graduate from the Honors Program.

Phi Theta Kappa International Honor Society - Beta Epsilon Mu Chapter

The mission of Phi Theta Kappa is to recognize academic achievement of college students and to provide opportunities for them to grow as scholars and leaders.

To achieve this purpose, Phi Theta Kappa provides opportunities for the development of leadership and service, for an intellectual climate to exchange ideas and ideals, for lively fellowship for scholars, and for stimulation of interest in continuing academic excellence.

Each semester invitation for membership is extended by the Beta Epsilon Mu Chapter

to students who are currently enrolled, have completed at least 12 hours of coursework that may be applied to an associate degree, and have a cumulative GPA of 3.5 or higher. After accepting membership, students are required to maintain a 3.25 cumulative Grade Point Average.

Valley Scholars Program

The Valley Scholars Program was established in 1997 to recognize and promote academic excellence by providing financial assistance, academic support services, mentoring, and leadership development. The program provides a foundation that empowers students to excel in their academic achievements and to become leaders that will make significant contributions to their communities.

Valley Scholars are Hidalgo and Starr County high school graduates in the top 10 percent or within an 80 percent grade point average. Students must have earned a 3.25 cumulative GPA for any college courses completed during high school.

Students in the program receive a scholarship, individualized advisement, academic excellence workshops, annual college tours, employment and leadership opportunities on campus, and transfer scholarship opportunities.

Eligibility for the program is contingent on students being enrolled at the college on a full time basis, maintaining a GPA of 3.0 each semester, and participating in scholastic and leadership activities. Importantly, the program encourages students to be actively engaged in community service projects. All community service projects are structured and utilize the team concept as a motivational tool.

The Valley Scholars immediately create a natural learning community that studies and works together and is able to build on the synergy of high expectations and team leadership.
