

ATTENDANCE POLICY

South Texas College Board Policy #3335 states:

As a premier learning-centered higher education institution, student attendance and participation is paramount to academic success; therefore, regular and punctual attendance in class and laboratories is expected of all students.

It is the student's responsibility to communicate with the faculty member concerning any absence as specified by the respective course syllabus. The student may be required to present evidence to support an absence and make-up work for class absences will be permitted only as specified by the faculty in the course syllabus.

Dropping a course is the responsibility of the student and not taking the appropriate steps may result in an "F" for the course.

In addition to Division-based guidelines related to attendance, faculty may drop students, prior to the withdrawal deadline when, in the opinion of the faculty, the student would have difficulty in successfully completing the course.
