

ALUMNI ASSOCIATION

The South Texas College Alumni Association develops relationships and establishes lifelong connections between South Texas College and its former and current students, leading to increased support for the institution's mission and goals. The association also reaches out to community members, who are friends of the college. It promotes a variety of networks and resources and offers opportunities to grow professionally and socially.

Benefits of becoming a member of the STC Alumni Association include, free career and employer services help for resumes, cover letters and job hunting; access to STC's Online Job Board with several hundred thousand job listings; free tutoring services at the Centers for Learning Excellence for alumni who transfer to a university to continue their education and stay connected and help future STC students achieve their dreams.
