Collections & Databases

South Texas College libraries provide students, faculty and staff over 145,000 cataloged items, including print and electronic books, video, and audio recordings. The library subscribes to over 200 print serial publications (newspapers, magazines, and journals) and over 100 research databases. These databases provide electronic access to the contents of several thousand magazines, journals, newspapers, electronic books, streaming video and audio, and other resources. The library’s print and electronic collection can be searched through Discovery Search, a single portal on the library website. The electronic databases are available on any computer on the College network, including all campus computer labs, faculty and staff computers, and can be accessed off-campus using your South Texas College network username and password.

Computer Labs & Printing Services

Computer access and printing is available at all library locations and Open Computer labs. Library and Open Lab computers are equipped to provide access to the Internet, Microsoft Office software, and to other specialized software packages. Wi-Fi access and wireless printing are also available at all campus libraries and Open Computer labs.

Campus to Campus Loans

Students, faculty, and staff located on one campus may request items from any other campus library. The requested items will be delivered to their campus. Items usually arrive within two business days.

Interlibrary Loan & TexShare

South Texas College students, faculty and staff have access to the collections of several hundred academic and public libraries across the United States through interlibrary loan agreements via Amigos Library Services, TexShare, and OCLC. Materials may be borrowed directly from participating TexShare libraries with a current South Texas College ID card and a TexShare card.
